

*Technical data*

|                               |                                |
|-------------------------------|--------------------------------|
| Rated voltage                 | 230V AC                        |
| Input voltage range           | 100 - 240 V AC                 |
| Driver output                 | 350mA                          |
| Class                         | 1                              |
| IP                            | 65                             |
| IK                            | 10                             |
| Diffuser                      | Clear polycarbonate            |
| Bulb cover                    | No                             |
| Source                        | Green'Up socket - Built-in LED |
| Color temperature real output | 2700°K warm white SYM          |
| Real light output             | 797 lm                         |
| Total consumption             | 12 W                           |
| Energy class                  | -                              |
| Luminous efficacy             | 66                             |
| IRC                           | >80                            |
| SDCM                          | 5                              |
| Optic                         | -                              |
| Dimmable                      | No                             |
| Ta                            | -                              |
| Tc                            | -                              |
| Led lifetime                  | 72000 h (L80/B10)              |
| Ambient temperature range     | -10 ~50°C                      |
| UGR                           | -                              |
| ULR                           | 1.0%                           |
| Photobiological Risk group    | RG0                            |
| Fixing kit                    | Yes                            |
| With sensor                   | No                             |
| With IP55 socket              | Yes                            |

### Materials and finishes

|          |                             |
|----------|-----------------------------|
| Material | aluminium                   |
| Colour   | Steel blue - 065 - RAL 5011 |

### Logistic data

|                      |                    |
|----------------------|--------------------|
| Product dimensions   | H.1100 L.170 P.100 |
| Net weight           | 0.000 Kg           |
| Gross weight         | 0.000 Kg           |
| Package dimensions 1 | H.1140 L.200 P.130 |

### Certifications and warranties

|                |                         |
|----------------|-------------------------|
| CE             | Yes                     |
| UL             | No                      |
| EAC            | Yes                     |
| RoHS           | Yes                     |
| ENEC           | No                      |
| Anti-corrosion | 25 years (on Aluminium) |
| Technical      | 5 years                 |
| Electronics    | 3 years                 |
