## Technical data

|                               |                         |
|-------------------------------|-------------------------|
| Rated voltage                 | 230V AC                 |
| Input voltage range           | 120 - 277 V AC          |
| Driver output                 | 500mA                   |
| Alimentation output           | -                       |
| Class                         | 1                       |
| IP                            | 65                      |
| IK                            | -                       |
| Diffuser                      | Toughened clear glass   |
| Bulb cover                    | -                       |
| Source                        | Built-in LED            |
| Color temperature real output | 2700°K warm white ASYM  |
| Real light output             | 3270 lm                 |
| Total consupction             | 26 W                    |
| Energy class                  | C (Source LED)          |
| Luminous efficacy             | 125.8                   |
| IRC                           | 73                      |
| SDCM                          | -                       |
| Optic                         | -                       |
| Dimmable                      | No                      |
| Ta                            | -                       |
| Led lifetime                  | 50000 h (L90/B50)       |
| Ambient temperature range     | -10 ~50°C               |
| UGR                           | -                       |
| ULR                           | < 0.1%                  |
| Photobiological Risk group    | RG0                     |
| THDI                          | -                       |
| Fixing kit                    | Anchor bolts on request |
| With sensor                   | No                      |
| With IP55 socket              | No                      |

Model 3

## Materials and finishes

|          |                             |
|----------|-----------------------------|
| Material | aluminium                   |
| Colour   | Steel blue - 065 - RAL 5011 |

## Logistic data

|                      |                    |
|----------------------|--------------------|
| Product dimensions   | H.4026 L.260 P.427 |
| Net weight           | 0.000 Kg           |
| Gross weight         | 0.000 Kg           |
| Package dimensions 1 | H.168 L.170 P.385  |

## Certifications and warranties

|                |                         |
|----------------|-------------------------|
| CE             | Yes                     |
| UL             | No                      |
| EAC            | Yes                     |
| RoHS           | Yes                     |
| ENEC           | No                      |
| Anti-corrosion | 25 years (on Aluminium) |
| Technical      | 5 years                 |
| Electronics    | 5 years                 |
