

*Technical data*

|                               |                                  |
|-------------------------------|----------------------------------|
| Rated voltage                 | 230V AC                          |
| Input voltage range           | 230 - 250 V AC                   |
| Driver output                 | -                                |
| Alimentation output           | -                                |
| Class                         | 1                                |
| IP                            | 44                               |
| IK                            | -                                |
| Diffuser                      | Clear glass                      |
| Bulb cover                    | No                               |
| Source                        | E27                              |
| Color temperature real output | -                                |
| Real light output             | - lm                             |
| Total consupcion              | - W                              |
| Energy class                  | Classe de la lampe (non fournie) |
| Luminous efficacy             | -                                |
| IRC                           | -                                |
| SDCM                          | -                                |
| Optic                         | -                                |
| Dimmable                      | -                                |
| Ta                            | -                                |
| Led lifetime                  | -                                |
| Ambient temperature range     | -10 ~50°C                        |
| UGR                           | -                                |
| ULR                           | -                                |
| THDI                          | -                                |
| Fixing kit                    | Yes                              |
| With sensor                   | No                               |
| With IP55 socket              | No                               |

# Place des Vosges 3

Model 6

catalogue 2024 p. 246

ref. 149006001

EAN. 3663660110358

## Materials and finishes

|          |             |
|----------|-------------|
| Material | aluminium   |
| Colour   | White - 001 |

## Logistic data

|                      |                           |
|----------------------|---------------------------|
| Product dimensions   | H.2110 - 2650 L.282 P.282 |
| Net weight           | 8.700 Kg                  |
| Gross weight         | 11.590 Kg                 |
| Package dimensions 1 | H.270 L.270 P.1620        |
| Package dimensions 1 | H.580 L.340 P.340         |

## Certifications and warranties

|                |                         |
|----------------|-------------------------|
| CE             | Yes                     |
| UL             | No                      |
| EAC            | Yes                     |
| RoHS           | Yes                     |
| ENEC           | No                      |
| Anti-corrosion | 25 years (on Aluminium) |
| Technical      | 5 years                 |
| Electronics    | 5 years                 |
